

## 2026 Financial Information and Financial Policy

### 2. Penalties:

To ensure that Daeraad functions properly, strict measures are in place in respect of the collection of school fees. Should we not have these measures in place; it will put Daeraad in an adverse situation as we may not be able to meet the payment of essential expenses (i.e. food, electricity, salaries etc.). Note Daeraad does not raise interest on arrears, but **penalties** will however be charged.

- a) In the event that your current month school fee account is in arrears after the 7<sup>th</sup> of the month a penalty of 10% will be raised.
- b) Any payments received will first be allocated towards current month school fees and thereafter arrears school fees for the following amount if applicable.
- c) **No** exceptions will be made in respect of penalties due and payable.
- d) If your current month school fee account, still reflects an arrear amount on the 15<sup>th</sup> of the month, your child will no longer be allowed to attend Daeraad.
- e) Arrear accounts will be handed over for collection and further legal steps will be taken.
- f) You will be held liable for any additional costs, including legal fees incurred by Daeraad to collect the arrears.
- g) In certain instances the school may consider a payment plan to settle the arrears. The consideration and/or acceptance of a payment plan does not have the effect that penalties will be waived. All payment plans will be presented to the members and directors of the board for their consideration. Please note that if the payment plan is accepted, your child will be allowed to attend school, only if you adhere to the agreement.
- h) Late Arrival penalties will be implemented. **If you continuously drop your child off later than 8h05 a penalty will be raised.** For the first 15 min a penalty of R25 will become payable if you are 30 min late a penalty of R50 will become payable. Please note this is *not* applicable if your child has a doctor or therapist appointment.
